For Nashville International Airport

DYNAMIC GROWTH AND EXPANSION PLAN FOR NASHVILLE INTERNATIONAL AIRPORT

By 2041, the population of the Greater Nashville Area is expected to surpass 2.5 million people, and **BNA passenger traffic will grow from 14 million today to more than 23 million.** BNA Vision is a comprehensive plan designed to enable the airport to meet the needs of this record-setting growth and maintain the customer-friendly character unique to our region.

PARKING & TRANSPORTATION CENTER

(IN PROGRESS)

- Six-story structure to the south of the existing Short Term Garage
- 2,000 spaces
- **Center to open: Summer 2018**

INTERIM INTERNATIONAL ARRIVALS BUILDING

(NOW OPERATIONAL)

- To accommodate immediate needs for additional international capacity, the current IAB has been expanded and upgraded to serve as an interim facility while the permanent IAF is being designed and constructed

CONCOURSE D EXPANSION (IN DESIGN)

- Additional gates to increase capacity to attract new airlines and services
- New retail and dining offerings

TICKETING & BAGGAGE CLAIM EXPANSIONS (IN DESIGN)

- Additional ticketing counters at the North and South ends of the terminal building
- Additional baggage claim devices to accommodate additional passenger traffic

PARKING & OFFICE PLAZA (IN PROGRAMMING & DESIGN)

- Consisting of new parking, office building, potential hotel and future rail

INTERNATIONAL ARRIVALS FACILITY

(IN PROGRAMMING & DESIGN)

- State-of-the-art facility to accommodate the increase of international travelers and set the stage for attracting new nonstop flights to Europe, Asia, Latin America and more

CENTRAL TERMINAL

(IN PROGRAMMING & DESIGN)

- Spacious central entrance hall will warmly welcome travelers with natural light and compelling airfield views
- Comfortably accommodate airline ticketing, baggage check-in, and federal security screening
- Queuing for security screening will be consolidated, and additional lanes will minimize wait times and expedite the process

DONELSON PIKE RELOCATION

(IN DESIGN WITH TDOT)

- A shift in the road slightly to the east to improve traffic circulation and terminal access
