DYNAMIC GROWTH AND EXPANSION PLAN FOR NASHVILLE INTERNATIONAL AIRPORT

By 2041, the population of the Greater Nashville Area is expected to surpass 2.5 million people, and **BNA passenger traffic will grow from 14 million today to more than 23 million.** BNA Vision is a comprehensive plan designed to enable the airport to meet the needs of this record-setting growth and maintain the customer-friendly character unique to our region.

PARKING & TRANSPORTATION CENTER (IN PROGRESS)

- Six-story structure to the south of the existing Short Term Garage
- 2,000 spaces
- Center to open: Summer 2018

INTERIM INTERNATIONAL ARRIVALS FACILITY (IN PROGRESS)

- To accommodate immediate needs for additional international capacity, the current IAF will be expanded and upgraded to serve as an interim facility while the permanent IAF is being designed and constructed
- Completion: Spring 2018

CONCOURSE D EXPANSION

- Additional gates to increase capacity to attract new airlines and services
- New retail and dining offerings

TICKETING AND BAGGAGE CLAIM EXPANSIONS

- Additional ticketing counters at the North and South ends of the terminal building
- Additional baggage claim devices to accommodate additional passenger traffic

PARKING AND OFFICE PLAZA

- Consisting of new parking, office building, potential hotel and future rail

INTERNATIONAL ARRIVALS FACILITY

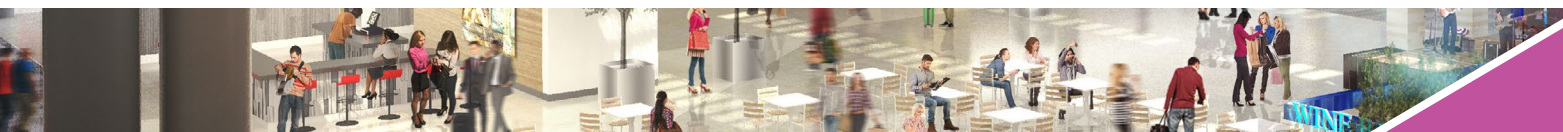

- State-of-the-art facility to accommodate the increase of international travelers and set the stage for attracting new nonstop flights to Europe, Asia, Latin America and more

CENTRAL TERMINAL

- Spacious central entrance hall will warmly welcome travelers with natural light and compelling airfield views
- Comfortably accommodate airline ticketing, baggage check-in, and federal security screening
- Queuing for security screening will be consolidated, and additional lanes will minimize wait times and expedite the process

DONELSON PIKE RELOCATION

- A shift in the road slightly to the east to improve traffic circulation and terminal access
