

PROJECT SUMMARY REPORT

January 2018

BNA's Interim International Arrivals Building (IAB) expands and upgrades our existing welcome center to better accommodate international travelers. It will serve as our international passenger processing center until a permanent, state-of-the-art International Arrivals Facility opens in 2023.

AT A GLANCE

- **Opening** Feb. 3, 2018
- **Ribbon Cutting:** March 21, 2018 at 11 a.m.
- Expands passenger boarding bridges from **1** to **2**.
- Increases processing capacity from **200** passengers per hour to **400**.
- Connects directly to baggage claim, eliminating need to re-check baggage.
- Improved U.S. Customs and Border Protection processing area.
- **International destinations served:**
 - London (Heathrow) – May 2018
 - Calgary
 - Cozumel
 - Grand Bahama Island
 - Montego Bay
 - Punta Cana
 - Toronto
